Student/Faculty Ratios are calculated by dividing the FYE (Full-Year Equivalent) Student count by the FTE (Full-Time Equivalent) Faculty count. FYE is determined by dividing the SCH (Student Credit Hours) total by 30 credits under semesters and by 45 credits under quarters. FTE faculty counts are based on actual teaching loads of full- and part-time faculty. Note: the French S/F Ratios have been adjusted for 2001-2005 to account for the released time of the language lab director. *Continuing Education figures were not included in the campus total until 2003-04.
