

Dentistry, 2005-07

http://www.dentistry.umn.edu/prosstudent/General_Requirements83.html

The University of Minnesota School of Dentistry offers an early admission program. Interested persons must meet with the School of Dentistry Enrollment Management staff to plan their prerequisite and elective course work. Qualified applicants must have earned 87 credits with a 3.2 overall GPA and a 3.0 science GPA. The DAT is required with a score at or above the national average.

Suggested UMM Schedule

Year	Fall	Spring
One	IS 1001 First Year Seminar 2 Biol 1101 Biological Principles 3 Chem 1101 General Chemistry 1 4 Engl 1011, College Writing 4 Math 1011/Stat 1601/CSci 1001 4 Credits this term: 17	Biol 2101 Evolution of Biodiversity 4 Chem 1102 General Chemistry 2 4 ArtS First Year Drawing 3 *Electives 4 Credits this term: 15
Two	Biol 2111 Cell Biology 4 Chem 2301/11 Org Chem 1 with lab 5 Phys 1091 Principles of Physics 1 5 Credits this term: 14	Chem 2302/12 Org Chem 2 with lab 5 Engl 3001 Expository Writing 4 Phys 1092 Principles of Physics 2 5 Psy 1051 Intro to Psychology 4 Credits this term: 18
Three	Biol 2102 Human Anatomy 3 Biol 4211 Biochemistry 4 *Electives 8 Credits this term: 15	Biol 4102 Human Physiology 4 Biol 4111 Microbiology 4 *Electives 8 Credits this term: 16

*Recommended electives: courses in analytical chemistry, anthropology, economics, genetics, immunology, history, humanities, logic, higher mathematics, political science, sociology, and a foreign language.

*Writing: 8 credits of writing are required, including a writing-intensive (“W”) course. Because UMM does not designate “W” courses, they will accept a note from the instructor verifying that the course required extensive writing. AP credits are also acceptable.
