

**University of Minnesota, Morris**  
**Division of Science and Mathematics**

**Mathematics Placement Exam Information**

*Maple T.A.: Maplesoft, a division of Waterloo Maple, Inc. 2007*

**Students whose ACT Math score is 29 or above:**

**Automatic placement in Calculus 1**

**\*\* Placement Exam Not Required \*\***

**Students whose ACT Math score is below 29:**

**For students who do the test, their placement is determined from the chart below:**

<b>Exam</b>	<b>Score</b>	<b>Description</b>
Trigonometry	8-15	Calculus I
Trigonometry	0-7	Pre-calculus or Survey of Calculus
Advanced Algebra	0-13	Basic Algebra
Advanced Algebra	14-19	Precalculus

**At an intermediate stage, their score in the elementary functions test serves to place them in the higher tier (Trigonometry) or lower tier (Advanced Algebra). It does not figure explicitly in the placement recommendation.**
