

UNIVERSITY OF MINNESOTA, MORRIS
DIVISION OF EDUCATION
PERMISSION FORM

Dear Parent or Guardian:

I am enrolled in the teacher education program at the University of Minnesota, Morris. To meet requirements for licensure, I must provide evidence of my knowledge and skills as a teacher. I am also required to demonstrate my ability to teach and must show that my students have learned as a result of my teaching.

One way for me to demonstrate that my students have learned is for me to collect and turn in items such as student papers, projects, and copies of exams. Short video clips or photographs are another form of evidence that illustrate how my students engage in learning.

I am requesting that you allow your child's work or picture to be included in items that I submit to my teacher education program. A few of these items may be used by the teacher education program on the University webpage or as evidence during an accreditation review. Your child's name will not be associated in any way with items that are submitted to my teacher education program.

The Principal and Classroom Teacher have reviewed this request form and have approved my letter to you. If you will allow me to use your child's work or picture, please sign the form below. Return this completed form to me and I will provide a photocopy of the form back to you. Thank you for your cooperation.

Sincerely,

Teacher Education Student
University of Minnesota, Morris

I have read the above and agree that my child's work or photograph may be submitted to the teacher education program for the purpose of program review, evaluation, and information purposes. I agree that the work or photographs may be viewed by outside parties.
