I. Introductory Statement:
This discipline is in the Division of Education. A separate admissions process must be completed and admission granted before students can enroll in this program.
The elementary education major leads to Minnesota licensure as a teacher of grades K through 6. Students obtaining a K-6 license must also be licensed in a specialty area. The six areas offered at UMM are 1) preprimary, 2) middle level communication arts and literature, 3) middle level mathematics, 4) middle level science, and 5) middle level social studies, and 6) world languages K-8.

II. Objectives:
Objectives—Coursework in elementary education is designed to meet standards of effective practice required for licensure and provide prospective teachers with opportunities to understand central concepts, tools of inquiry, and structures of disciplines taught in the elementary school; understand children and adolescent development theory, individual and group motivation and diversity among learners; create instructional opportunities adapted to learners of diverse cultural backgrounds and abilities; use instructional strategies that respect personal knowledge of effective verbal, nonverbal, and media communication techniques; encourage development of critical thinking, problem solving, and performance skills; understand and use formal and informal methods of student assessment; and collaborate with parents/guardians, families, school colleagues, and the community in an ethical Students pursuing Minnesota teaching licensure at the elementary K–6 level and specialty areas must have completed licensure requirements in the elementary teacher education program, and state and federally mandated examinations for new teachers. A minimum GPA of 2.50 is required overall, in licensure area(s), and in education courses. All courses that fulfill requirements required for teaching licensure in elementary education (discipline, professional education, or other courses) must be completed with a grade of C- or higher. Required courses must be taken A-F unless they are only offered S-N. Required courses may not be taken S-N unless offered S-N only.

Admission to the Major
During fall semester of the sophomore year, students attend a meeting to begin the application process. Applications must be submitted to the Elementary Education Admissions Committee by the end of the first week of spring semester for entry to the program fall semester of the junior year. Enrollment in the major is limited. The decision to admit is made during spring semester, before fall registration. The elementary education course sequence begins in fall semester.
Students transferring from another school must be admitted to UMM before admission to the elementary major can be offered. It is recommended that these students seek academic planning advice from a member of the elementary education faculty before the semester in which admission to the program is sought.
Requirements for admission include the following:
1. Successful completion (grade of C- or higher) of Psy 1061—Introduction to the Development of the Child and Adolescent (Psy 1051 is a prereq), and Ed 2101—Foundations and Issues in Education, and Ed 2111—Tutor-Aide Practicum.
For students desiring more in-depth alternatives, Psy 3401—Developmental Psychology I: Child Psychology and Psy 3402—Developmental Psychology II: Adolescence may be substituted for Psy 1061—Introduction to the Development of the Child and Adolescent.
2. Completion of the Praxis I Pre-Professional Skills Test (PPST).
3. A minimum GPA of 2.50 overall and in the elementary education major. No grade of less than C- will be accepted in licensure or education courses.
4. Approximately 60 credits completed by the end of the sophomore year.
5. Approval of the faculty based on an interview, recommendations, assessment of prior experience (especially with children and other cultures), and progress toward a degree.
6. Student must be admitted to UMM prior to program admission.
