Total 3xxx and 4xxx courses taught last year**:

Number of courses with no General Education designator**:

*Includes required courses from other disciplines.

**Does not include Directed Studies or Senior Honors Projects. Courses with multiple sections count only once.

Please summarize the intent of the proposed changes.

The goal is to increase the number of core classes required in management to strengthen the major, but still retain specialization in our areas of emphasis.

What are the financial or staffing implications of this proposal for the Discipline?

We will need to continue staffing the financial management course.

What are the financial or staffing implications of this proposal for other Disciplines?

Computer science will need to staff the new CSci course, which they have agreed to do.
