2008- 2009 INSTALLMENT / LATE FEES

One of the options for paying your bill is the installment plan. If you choose this option, you are required to pay 1/3 of your bill on each of the first three due dates. If you choose this plan, you will be charged a \$10 installment plan fee for each payment. If you fail to make your installment payment, you are no longer eligible for the installment plan and will be assessed the \$20 late fee each time bills are produced. If you do not choose to be on the installment plan, your balance is due in full on or before the first due date.
